

Having Issues Tracking Down Deal Docs?

Introducing Aumni's LOST Docs Service.

What is LOST Docs?

Legacy & Ongoing Service for Tracking Documents.

Reassurance that your corporate records are always up-to-date and accurate.

Relieve the burden of having to track down missing documents using internal resources.

How the Process Works?

#1

Missing Documents Identified

Aumni will identify all missing, incomplete, and inaccurate investment documents across your portfolio

#2

Collection of Missing Docs

Aumni will partner with you to track down all investment documents to give you complete closing set documents for your entire portfolio.

#3

Intake & Onboard

Aumni intakes all deal documents; analyzes investments; and onboards data onto your dashboard.

Service Pricing
